

# Indian Land Band Booster Club

## Membership Form

The Indian Land Band Booster Club is dedicated to the support and advancement of the Warrior Band program. Our Booster program supports the band by funding items that are not funded by the Lancaster County School District.

Your Band Booster Club needs every parent/guardian to become involved! Everyone has something to contribute and we need each and every one of you!

Whether it's fundraising, chaperoning, event organization, working concessions, fitting/altering uniforms, general repair, showing up for monthly meetings, supporting the band at concerts or cheering on the band from the stands at competitions; **your involvement is vital to the success of the band program at Indian Land!**

Parents, your active participation in this organization is as important to the success of the Indian Land Warrior Band program as is your student's diligent practice and hard work!

**Support your child's learning experience by being active in the Indian Land Band Booster Club by completing the form below, attaching a check payable to Indian Land Band Booster Club for \$10 and returning it to the band boosters or band director ASAP.**

**NAME** \_\_\_\_\_

**ADDRESS** \_\_\_\_\_

\_\_\_\_\_
